

## APCBC Problem of the Week – Due 5/21/10

**Note: You need NOT hand in this page of directions.**

On the first day of school, there was a letter in your folder. It was from a BC student from the class of 2009. It is now your turn to pass on the advice to the class of 2011.

Letter To the APCBC student during the 10-11 school year. Enrollment in BC is going up, so  
**PLEASE PRINT TWO COPIES.**

Here's what should be in your letter to an APCBC student taking the class next year:

1. Keep it casual...like a note to a friend.
2. Suggestions you have for them taking BC.
3. Things you found "difficult."
4. Things you found "easy".
5. Any tidbits of advice you may have.
6. Sign the letter with your name, and what college/university you plan to attend in the Fall of 2010.

Remember, these students for the most part do NOT know the teacher, do NOT know about the website, and do NOT know about the POW. Since enrollment in APCBC is going up next year, please print two copies.
