

Pre-Calculus Problem of the Week
DUE NO LATER THAN 1/13/10 AT 8:00 AM

Name _____

With the new year and new semester always come New Year's resolutions. For this week's problem of the week, you are to write a note to a friend. Your note should be typed and approximately one FULL page in length.

In this note, you are to include the following:

- The evaluation of your performance during the first semester.
- The evaluation of your semester exam review
- The evaluation of your semester exam
- Five things which you can do to improve your performance during the second semester.
- Your goals for the second semester
- Your current thoughts on what math class you are planning to take in 2009-2010. If you are a senior, what math course do you envision taking (if any) as a freshman in college next year?

Attach your note to this sheet when you hand it in.
