

Fall 2010 Course Offerings

Tuesday Nights 9/21 – 11/16

EPLS 647: Meaningful Activities to Generate Interest in the Classroom (MAGIC)

Over 80 activities which we'll experience...and then brainstorm how to adapt them and take back to your classroom. Sign up for this class and you'll leave every Tuesday with a new idea you can take back to your classroom on Wednesday!!! A GREAT first PLS class, and a GREAT class for those with PLS experience....because you KNOW how we talk about taking things back to the classroom.

Tuesdays 5-9 PM

9/21 - 11/16

Room A151

Please email the instructor if you wish to take this class.

Two Weekends 10/8-10, 10/22-24

EPLS 692: Building Communication and Teamwork in the Classroom (BC)

Remember that's it's not what you say....it's not what you mean....it's what is HEARD that counts. In this course, we'll take an intense look at 13 different communication skills which can enhance not only your ability to communicate effectively with students, but a good checkup on your listening skills as well. Spread throughout the course are a vast number of team building activities which can be brought immediately to the classroom to help strengthen student-student communication and working together.
