

Summer 2010 Course Offerings

JUNE 28 - JULY 2, 2010

EPLS 654: Building Your Technology Education and Skills

Emphasis for this course is YOU. Learn how to use basic computer and related technology. Learn some features of your computer you probably never knew you had, how to use some of the bells and whistles of Word, create your first PowerPoint presentation (or brush up on your PowerPoint skills), and lots more!!! The instructor has a plethora of a pool of topics which can be taught. As part of the course, you will receive a brand new program to take home, and learn how to use it in class.

Monday - Friday
8AM - 5PM
(45 min lunch break)

June 28 - July 2

Room TBA

Registration closes at 12:00 pm on Friday, June 18th..
Twelve must be registered by this date for the class to go.

This class has been cancelled.

AUGUST 2 - AUGUST 6, 2010

EPLS 695: Successful Teaching for Acceptance of Responsibility

Gain new techniques to model, teach, and support responsible student behavior while creating a classroom that fosters personal power and self-responsible behaviors. Examine how you can expand your own personal power by encouraging appropriate behavior and empowering students to make good decisions.

Monday - Friday
8AM - 5PM
(45 min lunch break)
